## Work Experience

---

### Contract Graphic Designer

Edovate Learning Corp

May 2021 to April 2022

With Edovate Learning Corp., I collaborated everyday with the marketing team to design emails, website landing pages, and social media ads. I also worked on updating old pamphlets and digital PDFS for parents to download directly from the website.

### Digital Media Designer

Pensacola Christian College - Pensacola, FL

June 2018 to July 2020

Being a digital media designer is more than just fabricating images to express thoughts. It's connecting with stakeholders within the company, then bringing their ideas to life so that prospective and current students can enjoy campus life. This includes designing engaging social media posts and presentations, as well as landing pages, marketing emails, and a student-run WordPress blog.

### Graphic Designer

Victory Baptist Press - Milton, FL

June 2014 to June 2018

Jobs included book cover designs, two-color cover designs, Wordpress eCommerce website building, HTML/CSS work, letterhead design, business card design, and prayer card designs. Also random odd things for the Pastor of my church.
